## “Our Story”

Ryleigh Mere Stegall was only 3½ years old when she was diagnosed with Acute Lymphocytic Leukemia in the summer of 2000. In the seven years that followed, Ryleigh went through many chemotherapy treatments, radiation, and multiple bone marrow transplants. Her baby brother, Chandler was the bone marrow donor. Sadly, Ryleigh passed away a couple of months before her eleventh birthday in September of 2007.

Ryleigh enjoyed going to school. She didn't get to attend much at public school however, and most of her education was received through home-schooling. Her grandmother was her teacher. Ryleigh and her nana walked when she was feeling up to it and she developed a fascination and love for the butterflies that fluttered around them. In November 2007, the Butterfly Foundation was established as a non-profit organization that, through monetary donations, assists families of children with life-threatening medical conditions. All donations made to the Butterfly Foundation stay in Wayne County, Tennessee to help local families in need. Please join us for the 1st Ever Butterfly 5K Run/Walk, either as a participant or as an individual sponsor. Help us make a difference in the lives of children and families in Wayne County, Tennessee.

Thank you.
